## STATE OF NEW HAMPSHIRE

---

To the Inhabitants of the Town of Bath qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said town on the second Tuesday of March next, at ten o'clock in the forenoon, to act upon the following subjects:

Article 1. To choose a town clerk, one selectman for three years, one trustee of the trust funds for three years, one library trustee for three years and one for one year, a town treasurer, auditor, one or more highway agents, and all other necessary officers and agents for the ensuing year.

Article 2. To hear the report of officers and agents heretofore chosen, and pass any vote relating thereto.

Article 3. To see what sum of money the town will vote to raise for town officers' salaries and expenses for the ensuing year.

Article 4. To see how much money the town will vote to raise and appropriate for the repair and maintenance of highways and bridges.

Article 5. To see what action the town will take in regard to securing state aid for highways, and to raise and appropriate money therefor.

Article 6. To see how much money the town will vote to raise for the support of the town library.

Article 7. To see how much money the town will vote to raise for the support of the poor.

Article 8. To see what sums of money the town will vote to raise for the observance of Memorial Day and Old Home Day.

Article 9. To see if the town will vote to raise and appropriate the sum of four hundred dollars for the control of White Pine Blister Rust.

Article 10. To see what action the town will take in regard to real estate bid off for taxes.

Article 11. To see if the town will vote to discontinue the road leading from a point in front of the dwelling house of W. H. Greenwood, thence over Schoolhouse Hill, so called, to a point near the old cemetery where said road joins the road laid out in October, 1923.

Article 12. To see if the town will vote to accept the sum of One Hundred Dollars in trust, to be known as the Sarah Cooley Thayer Trust Fund, the income thereof to be used for the care and maintenance of the family lot in Swiftwater Cemetery.

Article 13. To see if the town will vote to accept the sum of Three Hundred and Thirty-five Dollars in trust, to be known as the Pettyboro Cemetery Fund; the income only from said fund to be used for the care of Pettyboro Cemetery.

Article 14. To see if the town will vote to accept from Mrs. Sarah A. Simmonds the sum of One Hundred Dollars in trust, to be known as the Joseph Snow Trust Fund, the income therefrom to be used to care for the Snow lot in Bath Village Cemetery.

Article 15. To see if the town will vote to dispense with delivering the inventory blanks until April 1st.

Article 16. To transact any other business that may legally come before said meeting.

Given under our hands and seal this 18th day of February, A. D. 1924.

JOHN B. HIBBARD,  
FRED P. WELLS,  
DAVID S. REED,

Selectmen of Bath.

Total payments to school districts	\$10,200 67
------------------------------------	-------------

To the Citizens of Bath:

On the foregoing pages we present the annual town report for the year ending January 31, 1924.

Wages paid on the highway during the past year were as follows: From Feb. 1st to about May 1st, \$2.50 per day for men and \$5.50 for teams; from May 1st to about Aug. 1st, \$3.00 per day for men and \$5.50 for teams; since Aug. 1st, \$3.50 for men and \$7.00 for teams. This will explain any difference in wages that may be found in the several highway accounts.

Last October a new road leading from the farm buildings of W. H. Greenwood to the Flint place, so called, was laid out by the selectmen, and the sum of \$325.00 awarded to Mr. Greenwood for land damages. Only \$165.00 of this amount has been paid, as shown under Detail 13. The balance becomes due July 1, 1924.

A piece of road between the Deacon Lang place and D. P. Child's was graveled during the past season. The greater part of the work was done by residents of that neighborhood on a 50-50 basis or one days' work free for each day the town paid them. No charge was made by Mr. Child for the stone and gravel used. Those who contributed labor were:

D. P. Child, team 2 3-4 days	\$19 25
Jonas Minot, team 2 1-2 days, man 2 1-2 days	26 25
Ira F. Wheeler, team 2 1-2 days	17 50
David S. Reed, man 4 1-2 days	15 75
Total labor contributed	<hr/> \$78 75

The Soldiers' Memorial Committee have expended, to date, \$1,759.59 of the \$2,000 appropriated last March, as shown under Detail 18, leaving a balance of \$240.41. Orders have been placed for a cap stone for the center die of the monument, and for electric fixtures for the posts, which will cost about \$225.00.

Respectfully submitted,

JOHN B. HIBBARD,  
FRED P. WELLS,  
DAVID S. REED,

Selectmen of Bath.

I have examined the accounts of the Selectmen  
and find them correctly cast and properly vouched.

HENRY S. LANG, Auditor.

Bath, N. H., Feb. 12, 1924.

# SCHOOL REPORT

---

## BATH TOWN DISTRICT

### Report of the Superintendent of Schools

To the School Board and Citizens of Bath Town School District:

I am herewith presenting my thirteenth annual report.

The names of the five teachers with the total enrollment to date is follows: Carbee, Thelma Nichols, 9 pupils; Hibbard, Mary Graham, 14 pupils; Nutter, Gladys Dunkley, 8 pupils; Pettyboro, Vera Woolson, 13 pupils; Swiftwater, Winifred Gearwar, 37 pupils. The actual enrollment at date is 70. There are two pupils in the Woodsville grades, six in Woodsville High, six at Bath Union High, three in Lisbon High, and four in Lisbon Junior High. The tuition of these twenty-one pupils is paid by the town up to \$70 per year.

Only one pupil had a perfect record for attendance for the entire year, Waldo Peters. The percent of attendance for all schools was 94, but each school lost on an average six days.

Gerald Young and Howard Young were graduated from the eighth grade in June.

The outside of the school buildings at Carbee and Pettyboro were painted during the summer. New windows were bought for Swiftwater and the interior of the building papered and painted. New toilets were built at Nutter, one side of the roof shingled, and the school room papered. This is an excellent record of school house improvement for the year. Next year the painting program should be continued and the shed at Swiftwater repaired.

With one exception the teachers in town were experienced and all but one attended the summer session of the Normal School. This has had a helpful influence on the quality of the work, the attendance, and the general efficiency of the schools. The rural school presents the biggest problem in teaching of any kind of schools and can be met satisfactorily only by building up a better teaching force. With the state aid now

available and the increasing supply of trained teachers, each year should show better teachers and better teaching in the rural schools.

During the year ending June 30 there were 238 visits by citizens, 19 by members of the school board, and 80 by the superintendent. Apparently the public is taking greater interest in its schools and in no way can parents and other citizens better aid school authorities and teachers than by actually seeing the work of the schoolroom and by talking over in a friendly way with the teacher any special problem which may arise. People who never visit the school nor the teacher are absolutely incompetent to pass judgment on any circumstance which may come up in school. Very many of the failures in our schools are due to a wrong attitude on the part of parents who fail to back the school and the teacher.

Again, in closing I wish to say that I have thoroughly enjoyed the work of the year.

Respectfully submitted,

NORMAN J. PAGE.

## SCHOOL BUDGET

For Bath Town School District for the year 1924-25

Estimates:

For teachers' salaries	\$3,600 00
For janitors	216 00
For medical inspection	122 97
For elementary tuition	54 00
For fuel	300 00
For flags and appurtenances	10 00
For text books	100 00
For scholars' supplies	100 00

---

Estimated cost of elementary schools	\$4,502 97
--------------------------------------	------------

School Board estimate of assessment required:

To meet the above expense, a	
\$5 tax on each \$1,000 of	
equalized valuation	\$2,631 89
For high school tuitions	1,200 00
State \$2 per capita tax	218 00
Salaries of district officers	100 00
Superintendent's excess salary	125 00
Repairs and equipment	300 00

---

Total amount to be raised by taxation	\$4,574 89
---------------------------------------	------------

Respectfully submitted,

L. E. CAMPBELL,  
A. H. SCHOFF,

## STATE OF NEW HAMPSHIRE

To the inhabitants of the School District of the Town of Bath, qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said town on Tuesday, March 11, 1924, at two o'clock in the afternoon, to act on the following:

- 1st. To choose a moderator for the ensuing year.
- 2nd. To choose a clerk for the ensuing year.
- 3rd. To choose a member of the school board for the ensuing three years.
- 4th. To choose a treasurer for the ensuing year.
- 5th. To choose an auditor for the ensuing year.
- 6th. To see if the district will vote to raise the amount of money required for the support of schools and the payment of statutory obligations as recommended by the school board and published in the budget printed in the town report or make any alterations therein.
- 7th. To transact any other business that may properly come before the meeting.

Given under our hands at said Bath this 15th day of February A. D. 1924.

L. E. CAMPBELL,  
A. H. SCHOFF,

School Board of Bath, N. H.

A true copy of the warrant, Attest.

Total payments for all purposes		\$5,936 08
Cash on hand June 30, 1923		352 14
		<hr/>
Grand total		\$6,288 22

The assets of the district on June 30, 1923 were:

Cash on hand	\$352 14
Due from town on 1922 appropriation	1,000 00
	<hr/>
Total assets	\$1,352 14

Respectfully submitted,

P. J. Poor, Treasurer.

---

I have examined the above accounts and find them correctly cast and properly vouched with a balance in the Bank of \$352.14.

HENRY S. LANG, Auditor.

## UNION SCHOOL DISTRICT

### Report of the Superintendent of Schools

To the School Board and Citizens of Bath Union School District:

I am presenting for your consideration my thirteenth annual report, the seventeenth in the series of district superintendent's reports.

The village is fortunate in retaining the services of the same efficient corps of teachers as last year,—Wilfred L. Owen and Mrs. Ellen Stoughton Chase in the high school and the Misses Dearth and Sargent in the grades. The total registration is the same as last year,—21 high school pupils and 54 in the grades. There are six tuition pupils enrolled in the high school.

As might be expected the excellent work of last year has continued. The scholastic results are good in every grade; the school spirit is fine; the success of the high school athletics is unusual in a school so limited in numbers. On the part of teachers and pupils there seems to be a willingness to do the thing that needs to be done.

Seven pupils from grade eight entered high school, Timothy Aldrich, Phyllis Bailey, Walter Campbell, Lawrence Chase, Minnie Chase, Mabel Goodine and Walter Goodrich. The following were graduated from high school: Henry Aldrich, Louise Bailey, Edith Minot, Jonas Minot Jr., and Roger Reed.

The record of attendance for the year ending June 30, 1923 was somewhat better than for the year preceeding. The per cent of attendance rose from 91 to 92 with an average of seven days lost for various reasons.

The heating system has been repaired, the basement cleaned up and some of the windows repaired, a closet built for science equipment, broken window cords fixed, and other minor repairs made. The building has been kept in good condition during the present year. Next year the roof should be repaired and the walls of the rooms retinted as they are badly discolored.

Headmaster Owen's appended report will give additional information about the high school.

This year the district received \$163.51 from the state equalization fund. The budget as made out for next year calls for \$274.13 from the state. This is not a large amount but will help some of the expense of the elementary schools. The state gives no financial assistance to high schools. While the total expense of running the schools seems large, the tax on the community is much less than in some neighboring districts. Certainly the salaries of teachers and officers as well as the general expense of running the schools are very moderate in comparison to most towns. At any rate I am confident that the district is getting value received for every dollar it is investing in schools.

Respectfully submitted,

NORMAN J. PAGE.

---

## REPORT OF THE HEADMASTER

To the Superintendent of Schools, Sir:

I hereby present my second report as Headmaster of Bath Union High School.

Bath Union High School opened Sept. 10, 1923 with an enrollment of 21 pupils. Two have since left school and one has transferred to another school, leaving the present attendance 18. Of this number five are tuition pupils.

During the summer cupboards were built with sliding glass doors for chemical and physical apparatus. A hood was built to carry poisonous gases into the chimney and running water installed in the laboratory. With these improvements and the addition of considerable new equipment Bath High School now has a laboratory which will compare favorably with that of the average high school.

In addition to the above mentioned improvements all windows of the building were put in good condition, including putty, glass and weights. Cement sills were put in the basement and windows and new sashes installed. Some of the plumbing was changed to prevent freezing. The furnaces were cleaned and inspection

showed the coal furnace to be in poor condition. The walls and ceiling of the building should be repaired and refinished as soon as possible for preservation as well as for appearances.

Of the 18 pupils now enrolled in the high school 50 per cent are now over 16 years of age. This fact shows the interest of both pupils and parents when we consider that the laws of New Hampshire require school attendance only until sixteen years of age.

Three of the five graduates of the High School in 1923 are now attending more advanced schools.

Small high schools are often criticized for not giving the opportunities for activities which may be obtained in larger schools. In this respect I wish to mention a few of the activities which are carried on in Bath High School. The "Bath Union Spirit" of which two issues are to be published this year, is handled, finances included, almost entirely by the students. School dramatics including chorus singing are conducted each year. Athletics include basket ball for boys and girls, volley ball, baseball and probably tennis this year. In a school of this size all pupils take active part in each type of activity rather than leaving everything to a few stars.

A new piano has been obtained and is being paid for through the efforts of the high school and the grades.

The Superintendent and School Board have given unqualified support to the school at all times.

Respectfully submitted,

W. L. OWEN.

# FINANCIAL REPORT

Report of the fiscal year, ending June 30, 1923

## RECEIPTS
